

# Muskoka Autumn Studio Tour

## OPEN HOUSE

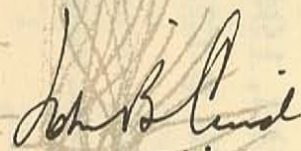

September 22 - 23, 1984 10:00 a.m. - 6:00 p.m.

*I am pleased to have been asked to write a brief introduction to the Brochure for the 1984 Muskoka Autumn Studio Tour.*

*It so happens that I am quite familiar with the work of a number of the professional artists and artisans in Muskoka who will open their studios to the public for several days.*

*The appreciation of arts and crafts is, of course, a highly personalized matter and the real advantage of this studio tour is that it offers an opportunity to view in their own locations a wide range of talents and expertise. I think it is the stimulating variety that is presented which makes it so attractive to visitors, particularly as it occurs at a time of year when the glory of the Muskoka fall colours is at its height.*

*It is my opinion that this autumn studio tour has become a unique Muskoka event and portrays the depth and understanding that is so very real to those of us who have enjoyed Muskoka for so many years.*

John Aird  
Lieutenant Governor
