21st Annual Muskoka Autumn Studio Tour

September 25th & 26th, 1999
10 a.m. to 6 p.m.

If you have ever dreamed of picking up a brush and seeing a painting emerge, wondered how a vessel arises out of a lump of clay, or been intrigued by the mystery of the creative process then experience the artistry found on the 21st Annual Muskoka Autumn Studio Tour.

Working with a diverse range of media, the 26 artists with the Muskoka Autumn Studio Tour share a common bond: creating works of art with their own hands. Passionate about the arts, these artists continually explore and develop their work. This year, six new artists bring their distinctive vision and style to the Studio Tour.

Since its beginning, the aim of the Muskoka Autumn Studio Tour has remained the same. It is an opportunity to meet professional artists in their studio environment, see firsthand how and where their work is created, and have an enticing and unforgettable glimpse into the creative lifestyle.

For an inspirational journey into the heart of creativity, come and experience the 21st Annual Muskoka Autumn Studio Tour set amidst the natural splendor of the Fall colours.

Ontario's original Studio Tour is organized and funded by the participating artists.
An opportunity for you to visit the artists and craftsmen of Muskoka and see their work in the context of their studios.
You must supply transportation, but start and end this FREE tour where you like. Due to parking limitations, bus tours are not advised.
