**WELCOME TO OUR STUDIOS!**

The 20 artists of Canada's Original Studio Tour invite you to take a drive through Muskoka's dramatic autumn landscape of brilliant colour, and to explore where this past year's inspiration has taken us.

As professional artists, we often work in solitude, but we believe that art is better understood when you meet its creator. The Muskoka Autumn Studio Tour gives us a welcome opportunity to share with you our finished work and the process behind it, through discussion, demonstration and display.

Two weekends of discovery await you on our 34th annual tour. We encourage you to visit your favourites, and to explore something new. Our studios will be ready; we look forward to your visit!

Visitors are welcome year round.  
 Please check listed hours for each studio.
